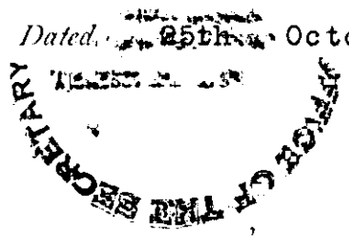
OFFICE OF THE PRESIDENT,
CITY MUNICIPAL COUNCIL, MYSORE.

Dated, 25th October 1926.



FROM

The *President, City Municipal Council,*
MYSORE.

To

The Secretary to the Government of
H.H. the Maharaja of Mysore,
General Department,
Camp Mysore.

SIR,

I have the honour to bring to the notice of Government ~~on~~ a point of doubt which has arisen in respect of property qualification of voters to the Representative ~~and~~ Assembly and Legislative Council in urban areas. When rules on the subject were issued in November 1923, actual payment of taxes within a given period was necessary to entitle a person to have his name entered in the voter's list for the Representative Assembly and Legislative Council, just as in the case of municipal elections. By the recent amendment of the Municipal Regulation however, the fact of a person having been assessed to municipal taxes, whether he has paid them or not, has become a sufficient qualification for municipal franchise. But the amendment of the Municipal Regulation does not ipso facto modify the Rules previously issued under the Representative Assembly Regulation and Legislative Council Regulations. If these rules are now to be followed as they stand, there will be a divergence between the bases adopted for determining the qualification of voters to the Municipal Council and State Legislature respectively. As such a divergence would be opposed to the principles accepted by Government in para 26 ii of Government Order No.13[illegible]7-1426 C.B.100-23-1 dated 27th --

P.T.O.

27th October 1923 on constitutinnal reforms, I shall be glad to know if there is any idea of modifying, in the near future, the Rules under the Representative Assembly and Legislative Council Regulations, so as to bring them into line with the recent amendmen of Section 12 of the Mysore Municipal Regulation.

I have the honour to be,

Sir,

Your most obedient servant,

I therefore beg that the Government will be pleased, to kindly issue orders to prepare list of voters and candidates according the amended Section 12 of the Mysore Regulation which prescribes that all those that are assessed are elegible to be electors.

I beg to remain,

Rel 289-99 ~~~ //14-26-1 dated
11th Nov 1926

Order ~~the recn.~~--

Voters of urban areas of the Representative Assembly are now the same as those who take part in the ~~elections to~~ Municipal elections in those areas. In view of the fact that for the latter the rules of election have been changed so as to make assessment the basis of the qualification and not actual payment, it is necessary that the rules regarding the qualifications of voters of urban constituencies of the Representative Assembly should be suitably modified.

Necessary notifications will issue in the matter.
